Minister's Message

Aloha,

The end of the year is fast approaching. How are you? December, it is also called "師走"-*Siwasu* (busy month which literally means "a teacher also runs"), and a busy month also for us will come.

In this newsletter, I'd like to explain the meaning of the services in December.

成道会 *JŌDŌ-E...BODHI DAY*

"Attaining-Enlightenment-Gathering"

Bodhi Day is the day that the Prince Siddhartha became the Buddha at the age of 35. Siddhartha left his home in search of Truth, even though he had every material thing he could desire in life. Yet he was not satisfied with his life.

After diligently practicing all manner of ascetic disciplines, including starving himself to the point of death in order to gain control over his body, he rejected the ascetic path and took food again.

He realized that one could not think clearly and have a healthy mind without healthy body. Siddhartha instead turned to a middle ground of meditation.

According to the Mahayana tradition, in the early morning hours of December 8th, Siddhartha became the Buddha the Awakened One, the Perfectly Enlightened One. By his example, he showed us that it was possible for a man to become a Buddha, a fully enlightened person.

We are therefore in possession of this potentiality, this Buddha-nature, which, when awakened and cultivated, will enable us to achieve the same Enlightenment.

除夜会 *JOYA-E...YEAR END SERVICE*

"Last-Night-Gathering":

The year end service is observed to express gratitude for the past year and to reflect on the interdependency of all life, on all the things that have made it possible for us to live this one year.

On this night, Temples with the large bell called the *Bonsho* will ring the bell 108 times. This is called the *Joya no Kane* or "bell of the last night." It is the symbolic ringing away of the 108 passions which afflict man and bind him to the world of delusion.

It is a reminder of the need to free ourselves from the entanglements of our self-centeredness as we face the New Year. We do not know whether our lives will be fortunate or unfortunate, but in the Nembutsu we can know that whichever it is, it will be all right.

The character "E" (会) is usually read "kai" and means group or association. In the Buddhist reading of "E" it means "a gathering of the Sangha."

This year again, we will get together on the day of New Year's Eve at 5pm to have Aiea Hongwanji's Joya-E Service. Please join our year end service to hit our Temple bell and enjoy Toshikoshi Soba.

Happy and Safe Holidays Embraced by Amida's Great Wisdom and Compassion.
Namo Amida Butsu

In Gassho,
Rev. Shawn K. Yagi

PRESIDENT'S MESSAGE

Hi everyone,

I hope you are well. Happy Holidays!

I played in a pickle ball tournament this past weekend! For those who don't know what pickle ball is, it is a game played with paddles (like oversized ping pong paddles) on a court a little less than half the size of a tennis court (google the term "pickle ball"). The "ball" is made of plastic with holes in it so that it will travel fast and bounce a little. It is a very fast growing sport all over the country.

The game can be a very fast one-balls that come high over the net are promptly slammed right back at you. Ball placement is very important—try to hit the ball in a place that the opponent can't return it. It looks easy, but footwork, eye-hand coordination and quick reflexes are important. You work up a sweat in a hurry. Played in a doubles tournament with my brother. We didn't win, but we had a lot of fun.

We had a great **Hawaiian Dinner** a couple of weeks ago. Once again, thank you to Ito for heading up this annual event. Thanks to our Hoshu Gang and Buddhist Women's Association for always helping out with our activities. To many other members and friends who pitched in—I can't name every person, but thank you.

Temple beautification is coming up on Sunday, December 17th. We'll be cleaning the temple and Nokotsudo for the New Year, along with the Lotus Adult Day Care. Come and help us. Continental breakfast and lunch will be served! And don't forget **Mochi-tsuki** on Saturday, December 23rd starting at 8 am! Hope to see you there!

Gassho,
Warren Tamamoto

Mochitsuki on Saturday, December 23rd at 8:00 am

The traditional mochi-pounding ceremony is called Mochitsuki in Japan. Mochi is a traditional food at New Year's. Here at Aiea Hongwanji, we have modified the traditional method of preparing the mochi by grinding the cooked mochi once before putting it into the *usu* (stone mortar) for pounding. This shortens the amount of effort and allows everyone—young and old to participate. Come out and share a good time!

Senior YBA News

It's December? My how the days, weeks and months fly by so fast. Well, we have a very busy end to 2017.

On December 4th (Monday), we will have our Senior YBA meeting at 7:30 p.m. in the AHM office. We will plan out Year End Potluck dinner that Warren and Claire will be hosting.

The Year End Potluck will be on Friday, December 15th at the Tamamoto's. Fellowship starts at 5:30 p.m. Don't forget to bring a Grab Bag no less than \$10. See you all at the Tamamoto's!!

December 17th (Sunday) is a Clean-up

Day and our Senior YBA will be cleaning the Temple and Columbarium (Nokotsudo). We need everyone's help. Clean up starts at 8 a.m.

December 23rd (Saturday) is the annual AHM Mochitsuki. Be there at 8 a.m. and kokua wherever help is needed.

We really had an extremely enjoyable 2017. May our fellowship continue in 2018!

Happy Holidays and let's all have a healthy and safe 2018! Happy New Year!!

In Gassho,
George Zakahi

Mettabhavana Meditation

Amida Buddha surrounds all men and all forms of life with Infinite Love and Compassion. Particularly does he send forth loving thoughts to those in suffering and sorrow, those in doubt and ignorance, to those who are striving to attain Truth; and to those whose feet are standing close to the great change men call death, Amida Buddha sends forth oceans of Wisdom and Compassion.

SENNYO GOMONSHU: SUCCESSION TO ACCESSION TO OFFICIAL VISITATION (2014-2017).

On June 6, 2014, the world-wide Jodo Shinshu Hongwanji of Mahayana Pure Land Buddhism welcomed our new Spiritual Leader, Sennyō Gomonshu. He is also known by his secular name Ohtani, Kojun Gomonshu. In both cases, "Gomonshu" refers to his title as the Spiritual Leader of our Jodo Shinshu Hongwanji Denomination and Resident Minister of the (Nishi) Hongwanji Temple in Kyoto. He is the 25th Spiritual Leader of our Denomination which begins with Shinran Shonin (1173-1263) whom we revere as our Founder. The announcement of Sennyō Gomonshu succeeding the Jodo Shinshu Tradition was joyous news for the Jodo Shinshu Followers throughout the World.

On January 16, 2015, a message by Gomonshu, announced the start of the Commemoration on the Accession of the Jodo Shinshu Tradition of His Eminence from October 1, 2016 to May 31, 2017. Thus, from October 2016-May 2017, a series of 80 commemorative services were held at the Nishi Hongwanji or Honzan (Main Temple) to celebrate the Accession. From Hawaii, two official Accession Ceremony Pilgrimage Tours traveled to Kyoto to take part in the ceremonies with each group also traveling to different parts of Japan to learn and experience Jodo Shinshu, its history and also its culture. One of the highlights of the Accession Ceremony was being greeted by 3 Generations of the Ohtani Family.

On September 4 and through September 12, 2017, His Eminence Ohtani, Kojun Gomonshu honored the Honpa Hongwanji Mission of Hawaii with His Official Visitation to Hawaii. In the 9-day Visit, His Eminence traveled to Hawaii Island, Maui, Kauai and Oahu. He visited not only larger temples, but smaller temples like Honohina Hongwanji which was his first stop. He met with temple members both young and older as his visits included preschools at Kahului Hongwanji and Hilo Hongwanji, and also Hongwanji Mission School and the State Lay Convention attendees gathered at Aiea Hongwanji. On Kauai, to the delight of the Members he participated in the concluding entertainment in the spirit of oneness and togetherness. He met with community leaders like Interfaith leaders of Hawaii to promote religious understanding and harmony at which a Hawaiian oli was chanted in his honor. Further, he visited community sites

like the Pahoia Cemetery which was partially covered by a lava flow to pay his respects. He also conducted Confirmation Rites in the Islands for 134 Hongwanji members. In addition, at the Honpa Hongwanji Hawaii Betsuin, he participated in a special unveiling of two large murals in the altar area of a phoenix (a bird which is said to appear on auspicious occasions and places) and the famous "Two Headed Bird" or Gumyocho (which symbolizes interdependency and the importance of living harmoniously) at the Special Kickoff Commemoration Service which begins a year-long celebration of commemorating the centennial of the Main Sanctuary which was completed in 1918. Further, His Eminence honored the Pacific Buddhist Academy by being present for the special ceremony which commemorated the completion of the new school building and dedication of the unique altar at PBA featuring olive branches, the western symbol of peace, and two impressive dragons which are depicted as protectors of the Dharma.

Needless to say, all those who met His Eminence were touched by his kind and gentle demeanor and his grace and nobility. Truly, an experience which will be treasured for a lifetime. We look forward to his continued guidance as our Spiritual Leader.

HONPA HONGWANJI PAYS TRIBUTE TO QUEEN LILI'UOKALANI. The Honpa Hongwanji Mission of Hawaii celebrated a Queen Lili'uokalani Tribute Service on Sunday, October 29 at Hawaii Betsuin, the Hongwanji temple on Pali Highway. The service was an opportunity to express gratitude for the queen and her encouragement to the Shin Buddhist community in Hawaii over 100 years ago.

We were gratified to see the main temple hall filled to capacity by temple members and friends, special guests and

participants, and members of the wider community. Attendees were privileged to be addressed by Queen Lili'uokalani through the performing artistry of Jackie Pualani Johnson and to hear performances by the Hawaii Betsuin Choir and the Hawaii Youth Opera Chorus.

The following is an excerpt from the printed program of the service:

IN GRATITUDE. *Gratitude is a cornerstone of Jodo Shinshu Buddhism. It is our humble honor to be able to express our appreciation to Her Majesty Queen Lili'uokalani in the form of a centennial tribute with this special service in her honor. In a difficult and challenging time, Her Majesty extended her compassion and kindness to the Japanese community and in particular the Hongwanji Buddhist Community by attending a special birthday service in honor of Shinran Shonin, the founder of Shin Buddhism, on May 19, 1901 at the Fort Lane Temple, the forerunner of this current temple. Her presence along with that of Mary Elizabeth*

Mikahala Foster who had extended the invitation to the Queen encouraged the Hongwanji to proudly move forward. Her Aloha for the people of Hawaii made a tremendous impact on society at the time. Last year, in 2016, a 100th Memorial Service was held in honor of the Queen at the Honpa Hongwanji Hilo Betsuin Temple in Hilo on the Big Island. This year, we hold a 100th Anniversary Tribute in her honor in Honolulu. Today's Tribute Service also contains

elements of the 1901 Service at which the gatha or Buddhist songs "Sambo no On/The Wondrous Gift of Peace" and "Nori no Miyama/Deep in the Woods of Dharma" were sung. We humbly express our debt of gratitude to Her Majesty, Queen Lili'uokalani.
