Minister's Message

**INDEPENDENCE DAY**

Every year, American citizens celebrate July 4th as Independence Day. However, should this day be taken merely just as another holiday to be enjoyed casually as a day of rest, then one must begin to realize that this particular holiday has lost something and will become a day of value and significance.

Looking over the situation of the American colonial government during the 18<sup>th</sup> century, one cannot help but feel the immensity of oppression the English government laid upon the lives of the colonists. The oppression was of such magnitude that it sparked and ignited the Revolutionary War. The Declaration of Independence states: "We hold these truths to be self-evident—that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, and the pursuit of happiness." The oppression was of such degree that it sparked and ignite the will of the colonists to acquire and secure that which they believed were their inalienable rights. History confirms this. History was made with the War of Independence.

The American colonists had long been oppressed and abused to the point of retaliation even to bear arms and fight for these rights-not the least was the freedom from oppression. Many sacrifices were made in the struggle to obtain the freedom should be known to all people.

It must not be forgotten that the independence fought for at the time was the independence of a will to obtain liberty or freedom rather than the independence of status of certain people. As events turned out, after the War, the freedom of religious belief was woven into the Constitution of the American government. As early as it was, it cannot be denied that there was carried within this war, an undercurrent wherein flowed the desire to win the freedom of religious conscience. America has for its basic freedoms: freedom of religious belief, speech and press. Of these, the freedom of religious belief affects us closely as followers of Buddhist faith, and as such we should appreciate this freedom which is given to us to enjoy.

If we as Buddhist fail to appreciate this freedom that we enjoy, it would be like treating the meaning of Independence Day as valueless. Should we as Buddhist never be awakened to hold and observe the spirit of appreciation and gratitude to those whose sacrifices made this freedom possible, can we as laymen truthfully say that we are qualified to celebrate in a proper sense this Independence Day? To say that we cannot be truly qualified would not be an overstatement. As Jodo Shin sect followers, we should strive to observe Independence Day with a spirit of thanksgiving and gratitude imbued with humility.

We look back toward the period of infancy of the American nation. We note that at that time not every nation of the world has had written into its national constitution the granting of religious liberty to its citizens as it was done by our forefathers when freedom of religious belief transcending sectarianism was incorporated into the Constitution of the United States. Then, couldn't it be said that were it not for America, the insertion of this freedom of religious belief within a nation's constitution would not have been possible?

We, as followers of Nembutsu Teaching, should foster especially, whenever Independence Day comes around, an understanding of the many struggles and sacrifices involved and a deep sense of appreciation for the blessings of liberty. It behooves us to hold within our hearts, the ever nurtured thought of expressing thankfulness and gratitude with the spirit of Gassho for that freedom of conscience we Buddhists enjoy throughout the United States of America.

## PRESIDENT'S MESSAGE

Hi everyone,

I hope you are in good spirits. Thank you to all of those who were able to come out to our Temple Beautification on June 12<sup>th</sup>. We had a good turnout of hard-working volunteers who cleaned windows, cleaned the storage room, repaired some of the tables and chairs, cleaned under the stage, washed the statue of Shinran and cleaned the kitchen. Preschool parents and teachers did extra cleaning of the Preschool. Thanks again, everyone!

Honpa Hongwanji Mission of Hawaii is coordinating two tours to Japan in celebration of our newly inducted Head Priest (25<sup>th</sup> Gomonsu Kojun Ohtani) taking on the responsibilities as Monshu and following in the footsteps of his predecessors (Dento Hokoku Hoyo). It is a festive occasion welcoming everyone to celebrate the inauguration of the new Monshu. The first tour this fall is no longer taking applicants. The second tour, March 29-April 7, 2017 is still open for new registrants. The tour starts in Kyoto for the commemoration, but includes sightseeing in Kyoto, Takayama, Kanazawa, Akakura onsen and Tokyo. I think it will be an enjoyable, educational and inspiring trip! Join us. If you are interested, please contact Rev. Yagi or leave a message on the office phone.

Son, Craig sent us photos from the Hokulea's stop in New York Harbor. The voyaging canoe Hokulea left Hawaii in 2013 and has traveled to Polynesia, Australia, Africa, South America and up the east coast to New York. How amazing is that? Around the world in a double-hulled canoe powered by the wind and guided by observing the sun, stars and waves. Happy sailing, Hokulea! From the Hokulea website: "The Hawaiian name for this voyage, Mālama Honua, means 'to care for our Earth.' Living on an island chain teaches us that our natural world is a gift with limits and that we must carefully steward this gift if we are to survive together. As we work to protect cultural and environmental resources for our children's future, our Pacific voyaging traditions teach us to venture beyond the horizon to connect and learn with others."

O-Bon season is upon us. The Aiea Sr. Young Buddhist Association helped the Ewa Hongwanji at their Bon Dance on June 18<sup>th</sup>. Thank you for representing AHM and for helping a sister temple! Bon season in Hawaii has become a big event-for both religious and cultural/social reasons. There was a large crowd at Ewa enjoying the food, music, dancing and sense of community! Here at AHM, we are planning for our O-Bon on Saturday, August 27<sup>th</sup>. Please keep your eye on the Jiko for important dates. We can use everyone's help.

Gassho,

Warren Tamamoto

## Mettabhavana Meditation

Amida Buddha surrounds all men and all forms of life with Infinite Love and Compassion. Particularly does he send forth loving thoughts to those in suffering and sorrow, those in doubt and ignorance, to those who are striving to attain Truth; and to those whose feet are standing close to the great change men call death, Amida Buddha sends forth oceans of Wisdom and Compassion.

## Aiea BWA News

Happy 4th of July!

Big THANK YOU to those who came out to help at the Beautification Day in June. New Dharma student, Taylor K., who was just the right size to clean under the stage, asked me "Who owns this building?" I told her "We all do!"..... and it was apparent as everyone put a lot of hard work into whatever areas they worked on. In the past, we had depended on certain leaders to tell us what to do..... but now, because many of those people are gone, it was enlightening to see people just pick a job and do it. (Thanks, Ikuo, for making that list!)

The ladies have been busy making crafts for Obon, leis for the 115th Anniversary in 2017 and seat pads for the Lotus Day Care Center. We are truly grateful to these ladies who share their time and talents on BWA projects.

We will need help serving refreshments for the O'ahu District Education Seminar on Tues, July 19 @ 6:30pm. Aiea is hosting this event in the Lotus Adult Day Care Center. Please call Susan if you can help 487-2626.

We will be honoring our 10 Dharma school students on July 24 at the Dharma School Recognition Service. Join us as we cheer them on!

We will be needing lots of help for Obon activities on August 27, so please save that date (Sign ups will be posted in the kitchen and in the August Jiko.) We are also asking for your delicious desserts for the "post dance" refreshments.

A special thank you to the Nakahara family, for monetary and craft donations in memory of Sumiko. ♥

Thank you all for your continued support and participation.

### O'ahu United Junior YBA News

The United of O'ahu Jr. YBA would like to extend a heartfelt thank you to all the O'ahu temples/lay members, ministers, and Women's organizations that helped to support the United for the CPK fundraiser. The United was able to raise \$524. This was matched by \$500 from the Social Concerns committee of the Honpa Hongwanji Mission, which was then contributed as Orei to Timber Hawkeye.

The United also used monies from the fundraiser to defray registration fees for those going to the 59<sup>th</sup> Jr. YBA State Convention on Maui this past weekend. From the United of O'ahu 11 Juniors (A'iea 3, Mililani 1, Pearl City 3, Wahiawa 4); 5 Advisors/Chaperones (Arynn Ishikawa, Gay Tanaka, Yumi Suzuki, Mark Haimoto, Claire

Tamamoto), and one upcoming Junior observer (K. Suzuki) attended. Some Juniors participated in zip lining as a pre-convention activity. This activity along with the lower registration/hotel fee of \$125 seemed to boost attendance to the convention. There were 70 plus attendees. The theme was "Talk Dharma" and a lot of good interaction and bonding could be observed.

We would like to especially thank the many temple Buddhist Women Associations who supported the United of O'ahu's Juniors by subsidizing their registration fee and \$200.00 plane fare. Thank you all for your donations.

The United of Hawai'i won the Model United award. Membership awards were won by the Uniteds of Hawai'i

Family Memorial Service

In the Japanese Buddhist tradition, families hold memorial services (Nen-ki Hoyo) in memory of our loved ones, and to express our gratitude for Amida Buddha's Infinite Light.

The Buddha's Wisdom and Compassion embrace our loved ones in the land of peace and happiness. May we also remember Amida's embrace on our lives as we remember those who have departed.

If your family would like to arrange a memorial service for your loved one, please call the temple at 487-2626 (please leave a message if no one is available). You may schedule the service either before or after the memorial date. The ideal time is when as many family members as possible will attend. ## Pacific Buddhist Academy News

### **Summer School Students Engaged in New Challenges.**

For the first time ever, Pacific Buddhist Academy is offering an Honors Physics/Calculus course, and it has proven to be quite popular! Instructor Steven James offers hands-on activities which require students to solve problems mathematically. A testament to the students' engagement is that they all stayed an extra hour to complete their challenge on the first day of summer school!

More than 40 students are enrolled this year at PBA's Summer School. Classes began on Monday

**Mahalo to Everyone for a Landmark Year** PBA sends a hearty mahalo to everyone for a landmark year and a fond farewell and best wishes to Language Arts teacher Jennifer Stierli, who will take on a new challenge at Hanahau'oli School as a 2nd/3rd grade teacher this coming year.

2015-2016 has been a great success. We just received word from HAIS that the "Board of Directors of the Hawaii Association of Independent Schools has received and reviewed the report of the accreditation Visiting Committee and grants Pacific Buddhist Academy Seven-Year Accreditation Status with a Mid-Cycle Progress Report and One-Day visit in year 4." The building project also resumes this summer in earnest, with grading, followed by foundation work and the vertical build thereafter.

### **Congratulations to Van Velasco!**

Our very own Van Velasco has received an Educator of the Future Award from the Hawaii Association of Independent Schools (HAIS)!

Van has worked with juniors in the PBA Peace Core class "Radical Movements" through a student-directed pedagogical inquiry to analyze and modify PBA's carbon footprint. The student inquiry has led to student initiatives in vegan diets, community waste collection and analysis,

"zero waste" days, water preservation and aquaponics systems, recycling systems and infrastructure, and ongoing experiments in composting.

Van and other recipients of the first annual award were praised for "extraordinary leadership, creativity, positivity, optimism, and innovative initiatives. Matt, Branden, Van, and Mark are truly educational leaders, not only in their schools but across the State of Hawai'i."

## GOLDEN CHAIN OF LOVE

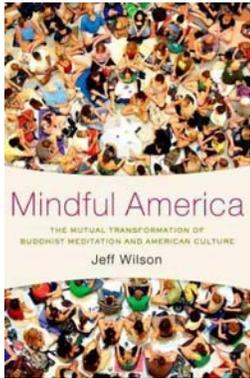

I am a link in Amida Buddha's Golden Chain of Love that stretches around the world. I must keep my link bright and strong. I will try to be kind and Gentle to every living thing and protect all who are weaker than myself. I will try to think pure and beautiful thoughts, to say pure and beautiful words and to do pure and beautiful deeds, knowing on what I do now depends not only on my happiness or unhappiness but also that of others. May every link In Amida Buddha's Golden Chain of Love become bright and strong and may we all attain Perfect Peace. Namo Amida Butsu.

## OAHU HONGWANJI COUNCIL

presents

**Dr. Jeff Wilson**

**author of *Mindful America: The Mutual Transformation of Buddhist Meditation and American Culture***

**Aiea Hongwanji Mission  
July 19, 2016 at 7:00 p.m.**

Dr. Jeff Wilson is an associate professor of religious studies and East Asian Studies at Renison College, at the University of Waterloo in Canada. Besides *Mindful America* he has written numerous other books and articles on the adaptation of Buddhism and mindfulness in America.

From July 11-15 Dr. Wilson will be the speaker for the Buddhist Study Center Summer Session with the discussion on the topic: "Mindfulness, Meditation, and Buddhism." Mindfulness has become the most popular aspect of Buddhism in contemporary America. Mindfulness practices are now embedded in professional sports, therapy practices, the military, and many other aspects of our culture. His lectures will look at the Buddhist roots of the mindfulness movement, how it became so popular, and what the path ahead for both the mindfulness movement and American Buddhism might look like.
